INTERNAL AFFAIRS BUREAU**SUBJECT:****EXECUTIVE FORCE REVIEW COMMITTEE DISPOSITION:  
DEPUTY ALLISON HOLLAND # [REDACTED]  
DEPUTY [REDACTED] # [REDACTED]  
COMPTON STATION**

On August 3, 2010, at approximately 0411 hours, Deputies Allison Holland and [REDACTED] were patrolling in the area of 144<sup>th</sup> Street and Lonest Ave when they saw a male black adult (later identified as S/Murphy) walking on Lonest Avenue approaching 144<sup>th</sup> Street. When he saw the deputies, he immediately began to walk eastbound on 144<sup>th</sup> Street in apparent attempt to distance himself. Based on his actions, they decided to contact him.

As the deputies drove along side the suspect, they asked if they could speak to him. The suspect told them "Yeah, sure. I didn't come out from that house though." As Deputy Holland got out of the patrol car, she noticed the suspect appeared nervous and upset. Suspect Murphy began to repeatedly reach into his pants pockets and removed unknown items, dropping them onto the ground.

Deputy Holland told suspect Murphy several times to keep his hands out of his pockets, however, he did not comply. Based on his actions, they feared he may be retrieving a weapon, or attempting to discard contraband. For their safety, they conducted a pat down search for weapons.

As Deputy Holland began a pat down search, she felt a small bulge in suspect Murphy's left sock. Deputy Holland asked suspect Murphy what was in his sock. He replied, "It's nothing." She asked the suspect if it was narcotics. Suspect Murphy stated, "I'm not trying to be funny." Deputy Holland had the suspect sit in the back seat of their radio car.

Deputy Holland asked the suspect if he would remove his left shoe and sock. He complied. While doing so, a white piece of paper fell on to the asphalt. Deputy Holland recovered the piece of paper and found it to contain two pieces of rock cocaine.

They had the suspect get out of the car in order to place him under arrest. He stood next to the trunk area of the radio car. As Deputy Holland placed his hands behind his back, he forcefully turned to his left trying to face her. Believing he was trying escape or harm her, she and Deputy [REDACTED] performed a team take down. When suspect Murphy fell on the ground, his hands were hidden under his body in his waist band area. Both deputies ordered the suspect to remove his arms from underneath his waist. The suspect did not comply; Deputy Holland tried to remove his left arm, and Deputy [REDACTED] tried to remove his right arm. The suspect did not comply as they forcefully attempted to remove his arms from underneath his body. Deputy Holland who was on her knees, performed three knee strikes to suspect Murphy's left rib area. After the knee strikes, she was able to force his left arm behind his back Deputy [REDACTED] was also able to force the suspect's right arm from underneath him and behind his back. Deputy Holland was able to handcuff him without anymore force.

Suspect Murphy was transported to Tri-City Hospital in Hawaiian Gardens. Suspect Murphy complained of pain to his left chest area. An X-ray showed a fracture of one of his ribs. He was given pain medication and was given an "OK to book."

On June 30, 2011 the Executive Force Review Committee convened and conducted a review regarding the facts of this case. The applicable policies that were evaluated by the committee were: MPP §§ 3-01/025.00, Use of Force; 3-01/025.10, Unreasonable Force; and 3-01/050.10, Performance to Standards.

Concerning:

MPP § 3-01/025.00, Use of Force and MPP § 3-01/025.10, Unreasonable Force, the Committee determined that the force used by Deputies Allison Holland and [REDACTED] was reasonable and necessary and in compliance with Department policy.

MPP § 3-01/050.10, Performance to Standards, the Committee determined that the tactics employed by Deputies Holland and [REDACTED] in this incident were within Department Policy.
